Albourne Church of England Primary School is ambitious...

Children in our school will achieve highly because our expectations for pupil outcomes are ambitious. Children are supported and encouraged to achieve their God-given potential through the development of skills and knowledge as well as personal character. In doing so, pupils lay the foundations which will enable them to make a difference for themselves and the world in which they live, giving them hope and ambition for the future. They are resilient and able to deal with uncertainties and setbacks (Hebrews 12.1)
