Dear Albourne Family,

It has been great to see everyone back in full swing at Albourne C of E Primary, including our lovely new Reception class, who are an incredible group of learners. We had our first phonics meeting for parents / carers and we were pleased to see so many parents engaging with their children's learning. Over the course of this academic year, we will have many events so you can see the progress your child is making and how you can help at home: see Programme of Events Autumn 1 below for dates. On the back of our SATs results, which were all above National: **Reading 93%** National 74%, **Writing 79%** National 73%, **Maths 79%** National 73% and **Combined 75%** National 61%, our new Y6 have made a fantastic start in their attitude to learning and being role-models for the whole school.

The Albourne Way Ambassadors have had their first working lunch meeting, where they have looked at English books to identify children who have made excellent progress from their starting points already this academic year. **"That is unreal!"** Y5 child looking at Y3 child's progress. A big thank you to our PTA who raised the funds for our new 'Grow & Cook Forest School' area, where Mrs Moseley has begun forest school sessions.

This academic year, we will be looking at the skills that make an Albourne Way learner and how we use these to become life-long learners. We look forward to sharing our exciting journey with you. Please check out our website and Instagram: <https://www.albournecep.co.uk/> <https://www.instagram.com/albournecofeprimaryschool/>

Reflection / Prayer

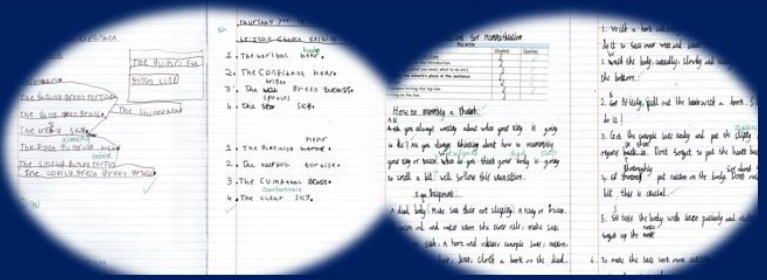

Our Christian Value this term is kindness and I have seen so much kindness from our children this term, particularly their attitude towards myself being in a wheelchair. They are being patient, helpful, inquisitive, empathetic but most of all kind. Thank you.

The Albourne Way – Living life to the full

Our vision is: The Albourne Way - Living life to the full. Albourne Church of England Primary School is ambitious, nurturing and an exciting learning community. Using our Christian Values, children follow The Albourne Way, are encouraged to flourish, become independent learners, be the person they are capable of being and live their life to the full. We have been taking sections of the vision and working with the children on what that means starting with, **Albourne Church of England Primary School is ambitious – see below**

Reading results are well above National

Progress from starting points are ambitious, "A Y5 boy turned to another Y5, pointed at a Y3 boy's book and said, "That is insane – look at his writing!"

Albourne Church of England Primary School is ambitious...

Children in our school will achieve highly because our expectations for pupil outcomes are ambitious. Children are supported and encouraged to achieve their God-given potential through the development of skills and knowledge as well as personal character. In doing so, pupils lay the foundations which will enable them to make a difference for themselves and the world in which they live, giving them hope and ambition for the future. They are resilient and able to deal with uncertainties and setbacks (Hebrews 12.1)

Albourne Safeguarding

NSPCC Safety Online: Children are growing up in a time where screens are everywhere and the internet plays a big part in their lives, even from a very young age. This can be beneficial, they can learn new things, connect with friends and family, and have fun. But it's important to have conversations on how to explore the online world safely. **That's where Techosaurus, our new friendly dinosaur comes in!** <https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/techosaurus/>

Well Done
