## Vision & Values

What have we been up to?

The vision – The Albourne Way – living life to the full continues to be the driver for the school and we have been working with the children on how that is lived out in our school.

### The Albourne Way - *Living life to the full*

Albourne Church of England Primary School is ambitious, nurturing and an exciting learning community. Using our Christian Values, children follow The Albourne Way, are encouraged to flourish, become independent learners, be the person they are capable of being and live their life to the full.

*Perseverance Aspiration Respect Responsibility Kindness Courage*

## Albourne Church of England Primary School is ambitious...

Children in our school will achieve highly because our expectations for pupil outcomes are ambitious. Children are supported and encouraged to achieve their God-given potential through the development of skills and knowledge as well as personal character. In doing so, pupils lay the foundations which will enable them to make a difference for themselves and the world in which they live, giving them hope and ambition for the future. They are resilient and able to deal with uncertainties and setbacks (Hebrews 12.1)

## **Using our Christian Values...Kindness, Responsibility Courage**

At Albourne, the children are taught how the Christian Values link to the teachings of Jesus and help them to follow The Albourne Way. Each value is focussed on for half a term, relating it to a bible story and embedding it within the curriculum, by linking them to events that are going on in the local area and wider world.
